USPA NEWS - Since its Inception in 2005, the Women's Forum has emerged as the Leading International Platform for transforming the Power of Women's Voices and Perspectives into Forward-Thinking Economic and Policy Initiatives for Societal Change. During the Annual Women's Forum Global Meeting, is assembled a Worldwide Community of Top Business Leaders, Lawmakers and Agents of Change from Numerous Sectors of the Economy.

Since its Inception in 2005, the Women's Forum has emerged as the Leading International Platform for transforming the Power of Women's Voices and Perspectives into Forward-Thinking Economic and Policy Initiatives for Societal Change. During the Annual Women's Forum Global Meeting, is assembled a Worldwide Community of Top Business Leaders, Lawmakers and Agents of Change from Numerous Sectors of the Economy.

With Representatives from over 175 Countries and Opportunities for Executive Networking on an International Scale, the Gatherings serve as both Think Tanks for effective Decision-Making and as Showcases for Women Initiatives.

The 17th Annual Women's Forum Global Meeting took place on 29-30 November 2022 in Paris, France. Where were engaged the Women Community of Leaders and Change Makers on Key Issues of the Post-Pandemic World, from the Climate Crisis to the Rise of Global Conflicts.

Under the Theme "TIME TO ACT" was prioritized the "HOW": How can we facilitate Human Connections that will strengthen Equity in the World and set a Standard for Fair Solutions?
